

AMSTERDAM BANGS is an autonomous fundraising theatre and performance festival taking place for a third year running! This year's festival will be raising funds for mutual aid projects in Palestine and Lebanon!

At BANGS everyone is a volunteer!

BANGS doesn't give a damn about art institutions trying to control what the heck art should be like.

BANGS invites everyone to make art we can't imagine yet!

BANG BANG!

BANGS is self-organised, for your delight! And so much more!

BANG BANG!
